of Correction

Dear Sir:

Upon proofreading the sealed certificate of correction which we received on May 31, 2005, we noticed errors made by the Patent Office.

Transmitted herewith is a copy of the sealed Certificate of Correction along with a copy of our original request for certificate of correction effecting a corrective amendment. Please see the areas which I have highlighted. The word "initially" in Col. 11, line 57 was misspelled on the sealed certificate of correction and there should be a "." after the word "network" in Col. 22, line 37.

The patentee respectfully solicits the granting of another sealed Certificate of Correction.

Respectfully submitted,

Kevin P. Radigan
